

Attachment A Critical Workforce Infrastructure

Functioning critical infrastructure is imperative during the response to the COVID-19 emergency for both public health and safety as well as community well-being. Certain critical infrastructure industries have a special responsibility in these times to continue operations.

Guidance on essential critical infrastructure workforce can be found on the [Cybersecurity and Infrastructure Security Agency \(CISA\)](#) website. For the State of Alaska, critical workforce and industries include, but are not limited to:

- Transportation and logistics
- Agricultural operations, including fishing and fish-processing
- Energy – including oil and gas production
- Critical Manufacturing
- Raw material production for manufacturing, including mining and timber
- Water, wastewater and sanitation
- Government functions
- Public safety and first responders
- Healthcare & Public Health
- Financial services
- Communications
- Defense
