

What: [ARRL Field Day](#)

When: Saturday June 24th @10:00AM - 8:00PM Local Time

Where: 1.4 Mile North of Palmer Alaska, [Matanuska Scenic Overlook pullover area](#).

Why: To promote the Ham Radio Sport in Alaska, share experiences, make new friends and learn about things like [Parks on The Air](#), [Summits on The Air](#). Learn about [MARA](#) and what it does for our community and all the cool things the club offers! Meet some of the crew that excels at VHF and UHF long distance and weak signals from the [VHF and Up](#) club! However, this year's most important reason and theme, "Just Have Fun!"

Interested in Ham Radio? Come out and give it a try, talk on the radio with the help of an experienced ham, make and log a contact. Check out the local ham enthusiasts various ham radio stations from mobile, expedition style and QRP backpack go-rigs. We will have digital modes on display, an ever-evolving technology in the Ham space.

Experienced in Ham Radio? Would you like to set up your own field day station, we would love to have you please contact us below.

Come give us a hand we could use a few volunteers, no ham experience necessary we have a few details to fill, contact us below.

We may be the only spot in Alaska doing Field Day! So, one thing is for certain, if you like radios, you will have a good time! See you there!

Contact Sean McKenney for opportunities and additional details.
